

JAPAN IMAGING CONFERENCE
Presented by Canon Medical
15-18 FEBRUARY 2026

Your exclusive invitation to the Japan Imaging Conference 2026

This dynamic event combines expert-led academic sessions with the rich cultural experience of Japan, presented by Canon Medical.

As a delegate, you'll take part in daily academic symposia featuring expert-led discussions on the latest trends, procedures, and developments in CT, ultrasound, and interventional radiology.

You'll also visit Canon Medical's global headquarters in Japan for a first-hand look at the newest innovations in medical imaging and healthcare technology. Gain practical insights into future developments, see how clinical feedback drives product design, and explore new ways to enhance imaging in your own practice.

Your stay at the ANA InterContinental Tokyo places you in the heart of one of the world's most vibrant cities. Enjoy luxury hospitality with Japanese sophistication, just moments from the conference.

Grow. Connect. Be inspired in Tokyo.

Who should attend

This conference is designed for thought leaders from all areas of imaging, including:

Radiologists seeking to expand their knowledge across a variety of imaging modalities and stay up to date with the latest clinical advances.

Imaging business leaders looking to explore global market trends, emerging technologies, and strategic innovations shaping the future of medical imaging.

Professionals eager to connect with a diverse, international network of industry experts, to share and gain valuable market insights.

Whether you're driven by clinical excellence, strategic vision, or the desire to connect and grow, this conference offers an inspiring platform to learn, share, and lead.

Attendance is also a wonderful opportunity to invest in your continuing professional development (final number of CPD hours to be confirmed).

Kindly note this is an invitation-only event.
Invitations are issued personally and cannot be transferred.

Sunday 15th February

ANA InterContinental Hotel
Check-in and conference registration from 3pm

Welcome drinks Club Level 35

Day 2

Monday 16th February

CT

Prof. Patrik Rogalla MD, PhD, MBA
Advancements in cardiothoracic CT

Dr. Rich Mather PhD
Development and technical innovation of Canon Photon Counting CT technology
Development of AI in imaging & intervention

Prof. Catherine Jones MBBS, BSc, FRCR, FRANZCR
Lung screening in Australia - program insights & progress

Assoc. Prof. Sujith Seneviratne MBBS, FRACP, FCSANZ
The evolving role of advanced imaging in cardiovascular care: from diagnosis to intervention

Aquilion Rise CT
Join Prof. Jinzaki from Keio University Hospital as he shares his initial experience with Aquilion Rise including applications for vertical CT

Welcome dinner
Join President & CEO Toshio Takiguchi in celebrating your visit to Japan and the 40th anniversary of Canon Medical in Australia and New Zealand. During the dinner, Prof. Patrik Rogalla will present his thoughts on the future challenges of medical imaging.

Day 3

Tuesday 17th February

Ultrasound and General Imaging

Prof. Alexander Loizides MD, PhD
Nerve imaging - spaces, fascias and nerves in the head, neck and upper extremity

Prof. Jiro Hata MD, PhD
Pushing the envelope of Doppler flow imaging - Microvascular imaging in the assessment of vessel patency and perfusion

Ultrasound imaging of the bowel

Dr. Adam Scott
COBOT collaborative robotic ultrasound
A collaboration between Canon Medical, Remote Medical Innovations, Queensland Health and Royal Brisbane & Womens Hospital

Dr. Ron Shnier MBBS, FRANZCR
Transformation of radiology through AI - challenges & opportunities

Visit to Canon headquarters & museum in Shimomaruko

Whisky & the World of Japanese Drinks with Mac Salman, Kanpai Planet - Optional

Discover the art, history, and flavour of Japan's world-renowned whisky and traditional drinks in an exclusive tasting session hosted by Mac Salman, the charismatic founder of Kanpai Planet.

Day 4

Wednesday 18th February

Interventional Radiology

Prof. Toshihiro Tanaka MD, PhD
Using Angio-CT for peripheral microembolisation & pain management

Prof. Hiroshi Kondo MD, PhD
Trauma and emergency care in the Angio-CT room

Dr. Suhrid Lodh MBBS, FRANZCR
Angio-CT in Australia: early experiences and impact on patient care
Join Suhrid and fellow early adopters of Angio-CT as they discuss the clinical benefits of integrating two modalities in a single room

Prof. Patrik Rogalla MD, PhD, MBA
Applications of AI in intervention & image guided therapy

Conference will conclude at approximately 1pm

* While every effort is made to ensure the accuracy of the academic program, topics and speakers are subject to change without prior notice. Canon Medical reserves the right to modify the program as necessary.

We recommend packing comfortable walking shoes and a warm, waterproof jacket. Some tours involve public transport, stairs, and light walking. If you have mobility concerns, please let us know so we can recommend suitable options or arrange alternatives where possible.

Interested in extending your stay?

travelcall

Canon Medical has partnered with Travelcall, a trusted Australian travel agency specialising in tailor-made travel experiences.

If you would like assistance booking flights, transfers, experiences, or extending your stay to explore more of Japan, Travelcall's expert team is here to help.

Simply indicate your interest when registering for the conference, and a Travelcall representative will be in touch to assist with your arrangements.

Optional ski package

Extend your stay and make the most of Japan's peak ski season in February. An optional 4-day ski package may be available following the conference. Please indicate your interest when completing the online registration.

Registration

To secure your place at the Canon Medical Imaging Conference 2026, please visit our registration page using the link or by scanning the QR code below.

Once you've submitted the online registration form, an invoice and full booking terms and conditions will be emailed to you by our third-party conference partner, Travelcall.

Terms and Conditions

Payment Terms. All delegates will be invoiced and will pay Travelcall directly for all package services. Full payment (100%) is required at the time of registration to confirm your place.

Package Pricing. Prices are fixed for registrations received by 20 October 2025. Registrations received after this date may be subject to higher pricing and/or limited availability.

Travel Insurance. All delegates must have appropriate travel insurance to participate. Proof of coverage must be provided prior to departure.

Cancellation Policy. Cancellations received before 1 October 2025 are eligible for a 60% refund. No refunds will be provided for cancellations after this date.

Changes to Program. Canon Medical and its agent, Travelcall (collectively referred to as the "organisers"), will make every effort to deliver the program as described in the brochure. However, should changes occur due to circumstances outside the organisers' control (e.g., supplier changes, hotel overbookings), an alternative of equivalent standard will be provided.

Program Attendance. No refunds will be provided for early departure from the program or non-attendance at any scheduled events.

Hotel Incidental Charges. The hotel will require a credit card per room at check-in to cover any incidental charges. A security hold may be placed on your card at the hotel's discretion.

Hotel Check-in/Check-out. Check-in is from 3:00 pm and check-out is by 11:00 am. Early check-in or late check-out may incur additional charges, payable directly to the hotel.

Club Lounge Access (ANA InterContinental Tokyo). Children aged 12 and under are not permitted in the Club Lounge during evening cocktail and canapé hours. At all other times, children are welcome but must be accompanied by an adult.
